Homecoming 1959

THE 1960 CATAMOUNT

POTOMAC STATE COLLEGE
of West Virginia University

Dr. Ernest E. Church

President

If you came to Potomac State with the attitude of a learner, and have maintained that attitude, you will leave neither empty-handed nor empty-headed.

If you have been a friend at Potomac State you will be separating (physically) from many friends when you leave. The 1960 issue of THE CATAMOUNT will be a life long treasure house of memories.

Our sincere congratulations to the staff and its sponsors.

E. E. CHURCH, President

Mr. Kirkland S. McKee

Dean

College is many things: study, grades, athletics, music, cheering, group sessions, friendships, parties, fraternities, receptions, holidays, satisfactions and achievements.

You, the student body have written the story. The Catamount staff has vividly portrayed it in this excellent edition.

Congratulations and thanks to the staff and sponsors.

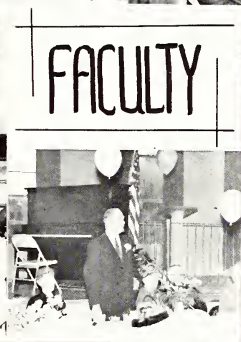

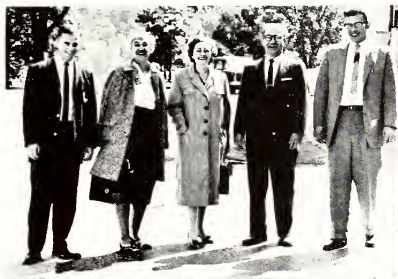

WE HONOR

Mrs. Leontine B. Nuzum

Mrs. Leontine B. Nuzum joined the faculty of Potomac State College in 1943 when she released, for three years, a man for the Army—her husband. She teaches classes in English composition and art appreciation. As a co-sponsor, Mrs. Nuzum supervises the aesthetic motifs of the yearbook. She pursues the hobbies of designing artistic program covers, reproducing family coats of arms, and working when time permits on artistic creations in pastels, water colors, and oils.

In recognition of her behind-the-scenes handiwork for campus organizations and community groups, her patience and understanding as a classroom instructor, and her quiet resourcefulness in helping students solve their problems, the CATAMOUNT staff dedicates the 1960 annual to Mrs. Leontine B. Nuzum.

Eta Upsilon Gamma was founded at Christian College, Columbia, Missouri, in 1901. It is the oldest national junior college sorority in the National College Panhellenic. The aims of Eta Upsilon Gamma are to stimulate school spirit, to promote scholarship and achievement, and to enrich and broaden friendship.

In October the rush party was held at the home of Dr. and Mrs. Robert Bess, Jr., Westernport. In November the annual Harvest Swing was co-sponsored with the Gammas' brother fraternity, Theta Sigma Chi.

The sorority held a bake sale during the second semester of the year.

The climax of each year is the annual spring banquet, which is held in honor of the departing sophomores in the sorority and brother fraternity. A spring picnic is also planned by the two organizations.

Honors that were bestowed on Eta Upsilon Gamma during the year were as follows: Lois Lambert and Agnes Dayton were ROTC sponsors; Agnes Dayton reigned as Queen of the Harvest Swing and was chosen as Apple Blossom Princess; Lois Lambert and Sandra Dixon served as two of the school's cheerleaders; and Colleen Davis was chosen as one of the *Mineral Daily* Calendar Girls.

The Theta Sigma Chi Fraternity was founded on the campus of Potomac State College in 1922. The fraternity promotes character, fellowship, scholarship, school spirit, and cooperation.

Theta Sigma Chi participated in many college sponsored events, winning an award for a float in the Homecoming parade and sponsoring the Harvest Swing in cooperation with their sister sorority.

In 1958-1959 the fraternity won the Dean's Scholarship Award for the Greek letter organization making the highest scholastic average as a group.

The organization proudly points to the accomplishments of their men. Brother James Broome served as student body president; Lake Slacum was president of the Circle K Club, president of the Potomac State Players and vice president of Delta Psi Omega; Wendell Dick acted as president of the Panhellenic Council; John Patterson was vice president of the Sophomore Class and Cadet Commander of the R. O. T. C. unit. The Theta Troubadours, composed of members of the fraternity, won Tri-State acclaim for their musical abilities.

Other activities of the fraternity included a rush party, dinner-dance, and the annual picnic.

Kappa Delta Psi was organized April 26, 1951. The objectives of this sorority are to further scholarship, to stimulate school spirit, to promote high moral standards, to develop a close feeling of friendship among its members and a loyalty to Potomac State College, its founding place.

In 1959-60 Judy Burns was chosen Queen of the Military Ball and served as ROTC sponsor. Three Kappas served on the cheering squad: Elaine Smith, Kitty Sindy and Jeanne Wotruba. Sharon Wilson was elected Sophomore Representative to the Student Council and was chosen Calendar Girl for the month of October.

In the fall the sorority entertained the freshman women with a Beatnik party. A Thanksgiving basket was delivered to a needy family by the group. Gifts were exchanged by the members at a Christmas party held at the home of Mrs. Earl Hess. With their brother fraternity, Phi Kappa Omega, the sorority co-sponsored a fall party at the Moose Home and the annual Easter Ball. The year was climaxed by a picnic with the fraternity and the annual spring banquet.

Phi Kappa Omega Fraternity, which was organized in 1949 to further promote the ideals of scholarship, sound moral character, and cooperation among fellow members, works constantly for the betterment of Potomac State College.

The men of Phi Kappa Omega proudly point to their 1959-1960 accomplishments. Brother Alston Shipe was president of the Sophomore Class. Scott Brown served as president of the Freshman Class.

The float entered by the Phi Kappa Omega during the homecoming parade won first place.

Acting in cooperation with its sister sorority, Kappa Delta Psi, the annual Kappa Easter Ball was again one of the highlights of the campus. During the year the Fraternity and their sister sorority put on several informal dances for the members at the Moose Hall.

To close out another outstanding year was the annual spring picnic and banquet.

Epsilon Chapter of Sigma Iota Chi is the oldest sorority on the campus of Potomac State College. Sigma was founded in 1903 at the University of the South at Sewanee, Tennessee, by Greer A. Duncan. It has become the largest junior college sorority in the United States. Carrying on the spirit and ideals of the first chapter, the group stresses the importance of scholastic achievement and fellowship.

Using the theme "Sigma Prep School," Sigmas welcomed the freshman women with their rush party at the home of Mrs. Ray Coffman. Twenty-eight pledges were received in October and two in February.

The sorority won first place in the Homecoming Parade. Anne Drane was crowned Miss Catamount and Campus Cover Girl. Elizabeth Suter reigned as queen of the Christmas Ball. At the annual Sigma Sweetheart Ball, Mary Patrone was Sigma Sweetheart. Anne Drane and Joyce Moffitt were R. O. T. C. sponsors. Joyce Moffitt acted as secretary of the Student Council and secretary-treasurer of the Sophomore Class. First semester she was secretary of the Panhellenic and second semester was the vice president of the same organization. Two sisters of the sorority were cheerleaders; they were Linda Lenz and Anne Drane. Anne Drane is the president of the Christian Youth Fellowship and Linda Cook is the vice president.

During the year, Sigma Sorority had several parties with their brother fraternity, Phi Sigma Nu. At Christmas the sorority gave clothes and food to a needy family and decorated a Christmas tree for the children in the hospital. The group goes to church together at least once a month.

The year terminated with the annual banquet and picnic.

Phi Sigma Nu, founded in 1922, has been an outstanding social group on the campus of Potoinac State College. The fraternity was granted a National Charter by the National College Panhellenic and has been designated Beta Chapter.

A successful pledge party marked the beginning of the college year. Informal social events for members and their guests took place during the year, and a number of programs or general interest followed fraternity meetings. During the Christmas season, the annual Christmas Ball sponsored by Phi Sigma Nu was a traditional highlight of the college social season. At the Ball, Brother Robert McBride and Miss Elizabeth Suter, a member of the sister sorority, Sigma Iota Chi, reigned as King and Queen of Winter.

Phi Sigma Nu participates in all organized campus activities. A float built by the fraternity won an award during the Homecoming parade; the fraternity's volleyball team was runner-up in intramural competition; the fraternity's nominee, Miss Anne Drane, a member of the sister sorority, was elected Miss Catamount for the Homecoming celebration; and throughout the year members of the fraternity held active and important positions as officers of campus organizations.

Phi Sigma Nu demands of its members college spirit and interest in all college activities, high moral standards, individual development of character and leadership, and scholastic achievement.

The bonds of friendship established in Phi Sigma Nu will be lasting memories in the years to come.

PANHELLENIC

The Panhellenic Council, governing body of the Greek-letter organizations on campus, is composed of eighteen members, two sophomores and one freshman from each fraternity and sorority. The council serves as a forum for the discussion of problems pertaining to fraternal life. Its aim is to promote better fellowship and cooperation among the fraternities and sororities on the campus, to assist in keeping up the spirit of the college, and to maintain the highest ideals of life, character, scholarship, and citizenship. Panhellenic arranges the annual college program for these campus societies and arbitrates school campaigns and elections.

SIGMA PHI OMEGA

Thirty-seven years ago, Sigma Phi Omega was established at this college for the purpose of promoting scholarship and campus citizenship. Membership, therefore, is limited to those students meeting this two-fold requirement. The organization has always been and continues to be a local honor society with its own constitution, ritual, insignia, and traditions.

Sigma Phi Omega appears before the Student body on two occasions during the year. For many years it has endeavored to present the active campus organizations, their history, ideals, and objectives to the incoming Freshman Class. This is done at an assembly known as the KNOW YOUR ORGANIZATIONS Convocation, which this year was held early in October. Shortly before the close of the school year, the annual RECOGNITION DAY Convocation is sponsored by the fraternity. On this occasion, honor is bestowed upon individuals and groups whose scholarship and leadership achievements have been outstanding.

The formal initiation of new members and the annual banquet in their honor, attended by both faculty and student members, have important places on the college roster of events. This year Sigma Phi Omega has presented to its members newly designed desk plaques representing the high principles governing the organization.

Members of Sigma Phi Omega are deeply aware of the honor and responsibility which membership entails, and they strive to prove worthy of both by maintaining high standards of scholarship, participating in student activities, and co-operating with the college at all times.

THE PASQUINO

The PASQUINO, aside from the campus circulation, is mailed to parents of non-commuting students and to college alumni all over the world. The total circulation is approximately 1,500.

A charter member of the West Virginia Intercollegiate Press Association, the fortnightly publication is composed basically of journalism majors, but many volunteer workers are also valuable to the staff in the editorial, business, and circulation departments.

The PASQUINO undertakes the publication of the Student Faculty Directory. Social highlight of the year is the spring Press Banquet, at which the guest speaker is an outstanding journalist.

STUDENT COUNCIL

The Student Council acts as an executive body for the students of Potomac State College. Its formation was deemed necessary in order that a closer relationship between the administration and the student could exist. Although the council's main objectives are of the administrative nature, it also promotes school spirit and fellowship.

Throughout the school year, the Council promoted many important events. During Freshman Week, it assisted in the orientation program for the incoming freshmen, and later organized the Freshman Class. Rules and regulations for the freshman students were made and enforced by the Kangaroo Court under the direction of the Council. As football season arrived, the Council supervised the selection of cheerleaders, held "thuses" and sold programs for the football games.

Two gala affairs of the campus, the Homecoming Ball, and the May Day Ball, were sponsored by the Council.

Upon recommendation of the Athletic Department, the Council presented letters and sweaters to athletes. The Student Council also purchased new sweaters for the cheerleaders.

The Council assisted in planning and executing "Coach Dana Lough Day." Permanent recommendations were made to help future Councils with their work.

HOME ECONOMICS CLUB

The Home Economics Club, organized in 1936, welcomes any women students who are interested to attend its meetings.

The members of the club participated in the following activities during the school year: Served as hostesses at the president's reception in the fall; served, in cooperation with the Agriculture Club, a chicken barbeque at Homecoming; sold "mums" at Homecoming; sponsored a Christmas party for fifteen first grade children from the Keyser Elementary School; attended a Religious Emphasis Week service as a group; held an open-house in the department in the spring; visited the U. S. Agriculture Research center at Beltsville, Maryland, with the Agriculture Club; and, to bring the year to a climax, attended the annual spring meeting of the West Virginia Home Economics Association at Jackson's Mill.

The Home Economics Club at Potomac State is a member of the West Virginia Home Economics Association and the American Home Economics Association. The group is offering a scholarship to a freshman home economics major for the school year beginning in September, 1960. Details are outlined in the school catalogue.

Honors received by the members of the club were: Edythe Baylor was the state vice president of the West Virginia Home Economics Association college club section; Jane Kimble was past president of the Future Homemakers of America; Kay Judy Harper, Patricia Mathias, and Barbara Ash represented their counties in state "4-H" projects at Jackson's Mill during the summer of 1959; Mary Frances Patrone was the Sigma Sweetheart; and Sandra Dixon acted as one of the school's cheerleaders during the year.

POTOMAC STATE PLAYERS

The Potomac State Players, organized in 1919, is the oldest cultural organization on campus. The Players Club provides training in every phase of dramatics from acting to behind-the-scenes work such as set decoration and make-up. Membership in Delta Psi Omega, an honor society for dramatics, is awarded each year to members who have done outstanding work or have made valuable contributions to the organization.

This year, under the direction of Mr. Kenneth F. Haines, club sponsor, the Players produced a three-act farce entitled "See How They Run." The cast of this delightful play, which was presented in April, included: Colleen Davis, Lake Slacum, Betty Bowers, Albert Rockenstien, Thomas Pitner, Joy Suter, Robert Engel, Ted Troxell and Mike McCann.

Delta Psi Omega is the largest honor society in dramatics for junior colleges. More than two hundred active chapters are scattered throughout the United States. The Potomac State cast, number 110, was instituted in 1943.

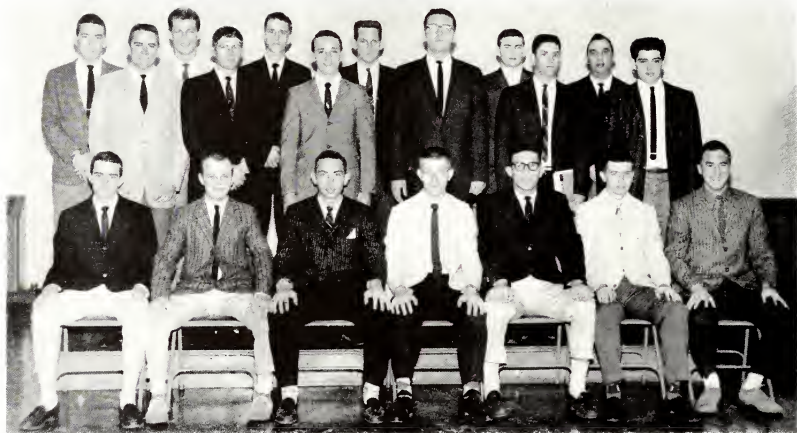

Students are selected for membership on a point basis. One hundred points must be accumulated in work in some phase of dramatics before the individual may be considered for membership. Election to the society, however, is not automatic; candidates must satisfy both national and local requirements for election.

Delta Psi Omega does not exist as a replacement for dramatic clubs, but rather as a fraternity to give recognition to members of such organizations who excel in this field

CIRCLE K

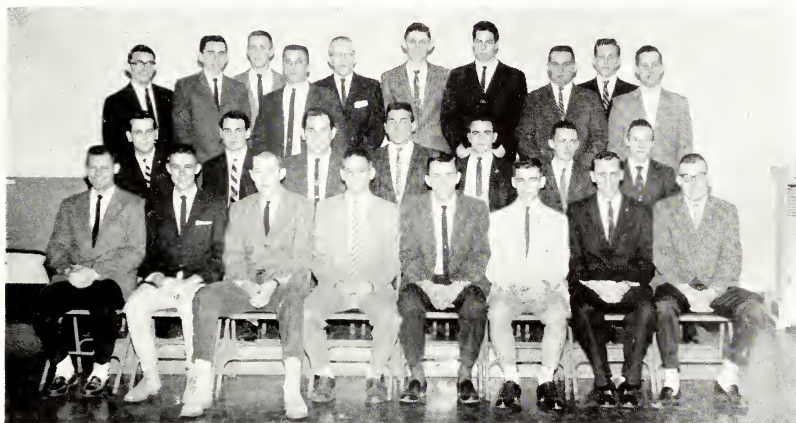

The Circle K Club of Potomac State College is a service organization which was established in 1952 under the sponsorship of the Keyser Kiwanis Club. In order to become a member, one must possess high character and outstanding scholastic ability. This organization is dedicated to Potomac State College and the community of Keyser. The members of this service club feel that to serve is an honor instead of a burden.

Major projects this year were: sponsoring the annual homecoming parade, operating the second-hand bookstore, organizing new clubs, and helping with the establishment of the new West Virginia District, and assisting with Parents' Day; members also raised money to send blind children to summer camp, sponsored Sadie Hawkins Dance, helped Kiwanis with Pancake Supper, presented a banner to the Circle K Club of Salem College, assisted C. Y. F. with clothing drive for Korea, and served as guides for various campus activities.

Our advisor, Mr. Michael, was appointed District Chairman of the West Virginia District of Circle K International. Wendell Dick, secretary of the club, was elected International Trustee of Circle K Clubs at the International Convention held in Delaware, Ohio, last August.

This past March several members attended the First West Virginia Circle K Club Convention at Salem College. In August the club will be sending representatives to the Fifth Annual Circle K Convention to be held in Toronto, Canada.

The Christian Youth Fellowship was organized on the Potomac State campus in 1949. This organization strives "to bring Christian youth of Potomac State College into closer contact with the church and to deepen their devotional life through recreation and fellowship." Constructive programs are presented by the various members at the meetings which are held each Sunday.

The Christian Youth Fellowship co-Sponsored Religious Emphasis Week, along with the Newman Club, and sponsored the Pre-Easter Communion and the Pre-Easter worship services for Protestant students. The CYF also sponsored a drive which netted over 2000 pounds of clothing for the war orphans of Korea. The group held several social activities throughout the year.

NEWMAN CLUB

The Newman Club is a national Catholic organization, brought to Potomac State College in the spring of 1948. Its purposes are to foster the spiritual, intellectual, and social interests of Catholic students of the college. The group is a member of the National Newman Club Federation and of the Province Federation of West Virginia. The assistant pastor of the Church of the Assumption, Keyser, is chaplain of the club, and two faculty members of the college serve in an advisory capacity.

At one of the two monthly meetings talks on religious or social subjects are given by visiting speakers.

"A sport for every woman and every woman in a sport" is the motto of the Women's Athletic Association. It was organized to popularize women's athletics and to provide leisure time activities.

The aims of this organization are to develop standards of leadership and sportsmanship and to promote those activities which may be adapted to the leisure time of later school. Intramural games are bowling, volleyball, basketball, pingpong, badminton, and shuffleboard.

The club is open to all girls enrolled in Potomac State. A total of two hundred fifty points entitles a member to an emblem. These points are acquired by participation in tournaments, attending meetings and in other ways. W. A. A. made corsages for the mothers on Parents' Day. This project proved extremely successful.

ROTH Military HONORARY SOCIETY

Roth Military Honorary Society was named in honor of Col. Samuel Roth, who was instrumental in forming the ROTC unit at Potomac State College in 1953.

To be eligible for membership, an ROTC cadet must have a "B" in military and an academic grade of "C" or better. He must also have high moral standards, military proficiency, and qualities of leadership.

Roth supports and sponsors several activities during the year. Some of these are a color guard for football games, the ROTC Rifle Team, Veterans' Day firing squad, the Blood Bank, and the annual Military Ball.

ROTC DRILL TEAM

Rothe Military Honorary Society sponsors the Drill Team, a volunteer organization whose members are called upon to drill at times other than normal class hours. The first call for recruits was issued in October, 1957, and since that time, the team has increased in size. The purpose of the Drill Team is to develop a high degree of proficiency in all normal and routine movements of the Manual of Arms and the foot movements common to the average cadet, plus the mastery of the intricate, complicated and unusual handling of the rifle with accompanying footwork. Special drills and routines are worked out for each occasion.

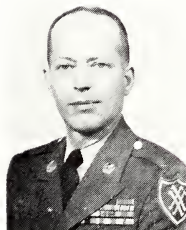

Sgt. Francis W. Birnley is ROTC faculty advisor and Drillmaster.

RIFLE TEAM

The Catamount Rifle Club is sponsored by the Military Department and by the Roth Honorary Military Society of Potomac State College, and is affiliated with the National Rifle Association.

Marksmanship has become increasingly popular as a sport on the campus. By popular demand, the program was enlarged to include a girls' team this year, which will engage in competition with other women's teams during the 1960-61 season.

Some of the outstanding features of the 1959-60 season include:

Individual High Scorers

Bob Gosnell averaged 285.4 out of a possible average score of 300.

Mike Moore averaged 277.7 out of a possible average score of 300. Mike won individual high honors in the National Rifle Association Sectional Match held in the Stadium Range of the University of West Virginia in March 1960, placing third among 12 shooters.

Matches

The regular shooters won the National Junior College Athletic Association Region XV Match sponsored by Erie County Technical Institute of Buffalo, New York. This is the only match fired during the entire season that can be said to be in the Junior College Category, all other matches were with four year universities or colleges.

For the second consecutive year the team placed 16th in the Wm. Randolph Hearst Match. (Competitors in this match consisted of 116 teams from colleges and universities throughout the country.) In very difficult competition with 54 fine University and Regular Army Teams participating in the Second United States Army Rifle Championship Match, the team placed 24, an outstanding achievement to round out a highly successful season.

Out of 11 regular matches fired during the season the Cats have won 10.

Under the direction of Mr. Philip J. Faini, the ROTC Marching Band is composed of male members of the ROTC. The group supplies marches at noon formations and for various military functions. Members belonging to the band earn additional merits in their ROTC courses.

The band is most active during the fall football season when it contributes to the spirit of the school by playing at football games and pep rallies. Last year the group played at Keyser's Memorial Day program, the annual Homecoming Parade, and at Shepherdstown for the Potomac State vs. Shepherd game.

POTOMAG STATE CONCERT BAND

The Potomac State Concert Band, under the direction of Mr. Philip J. Faini, has a membership of 35 players. All students of the college, both men and women, are eligible for participation in the concert band. The band affords students an opportunity to continue their musical training and devotes its time to the study and performance of band literature of the highest quality.

The band played for "Coach Lough Day" in the fall. They presented a spring concert in April, and played for the college graduation exercises in May.

POTOMAC STATE DANCE BAND

The Potomac State College Dance Band consists of a group of student musicians on campus who occasionally like to switch to "The Big Sound" in music. The group above is under the direction of Mr. Philip J. Faini, the college's band director. In addition to the ordinary music available to dance bands, this group varies its appearances by using special arrangements written by Mr. Faini, and by using vocalists and small combos.

The orchestra has appeared at several school functions, including the Faculty Reception in the fall and the Spring Formal of the Phi Kappa Omega Fraternity. It also accompanied the Potomac State Singers in presenting concerts at neighboring high schools.

MR. LEONARD WITHERS
Director

Under the direction of Mr. Leonard G. Withers and accompanied by Miss Frances Sarullo of the Music Department, the Potomac State Singers completed another interesting and profitable year. The Singers are composed of three groups: the Women's Chorus, the Men's Chorus, and the Mixed Chorus or Singers. The most important program of the early winter was the annual Christmas Cantata presented for the public at an evening performance and for the Faculty and Student body as a morning convocation. This year the cantata was "The Christmas Story" by Matthews which was sung by candlelight before a beautiful setting of white draperies, evergreens and a large church window. In February the Singers offered several sacred works as a contribution to the Religious Emphasis Week programs. In the spring there were visits to several area high schools and a spring concert. The climax of the school year came with the singing at the College commencement baccalaureate and graduation exercises.

ENGINEERS' CLUB

The Engineers' Club of Potomac State College is composed of students participating in the engineering orientation program at the college. The organization was founded in 1932 and has remained active for the past twenty-eight years.
